NATIONAL STATISTICS DAY 2022 CELEBRATION

SEMINAR ON “ CAREERS IN STATISTICS”

REPORT

In connection with the National Statistics Day 2022, Department of Mathematics & Statistics in association with IQAC of Sree Narayana College Nattika organized a seminar on “Careers in Statistics” on 27-06-2022 at 9.30 a.m. Smt.Greeshma S (M.Phil, SET), Statistical investigator, Department of Economics and Statistics, Thrissur was the resource person of the seminar. Dr.Jaya P S, Principal, Sree Narayana college Nattika presided over the function. Dr. Sankaran K K, H.O.D., Statistics welcomed everyone and Mrs. Arathy K D, H.O.D. of Mathematics felicitated the function. The event was open to all students of Mathematics & Statistics Department and Post Graduate students of Commerce & Economics Department.

Smt.Greeshma S explained the scope and opportunities of studying Statistics. Also she introduced and familiarized students with different courses in Statistics and the institutions which offers these courses. Smt.Greeshma S explained different career opportunities in Statistics and it was very relevant and informative for students. After the talk, there was a session for interaction with the resource person. Most of the students actively participated in the programme. Ms. Anila N A, Assistant Professor, Department of Mathematics and Seminar coordinator thanked all teachers and students. The program lasted for two hours.

P G DEPARTMENT OF MATHEMATICS

FIVE DAYS WORKSHOP ON “TYPESETTING IN LATEX”

REPORT

Latex is a high quality typesetting system and it is designed for the production of technical and scientific documentation. Latex is a free software package created in 1985 by the American computer scientist Leslie Lamport. It was created to make it easier to produce general-purpose books and articles that contain complex mathematical equations. P G Department of Mathematics & IQAC of Sree Narayana College Nattika organized five days workshop on “Typesetting in Latex” for P G students, research scholars and faculty members of various colleges under Calicut University. The workshop was being conducted on 1st, 2nd, 3rd, 4th and 10th of August 2022. For the first four days the workshop was online through Google Meet from 7pm to 8 pm. and on the fifth day, it was offline at the Computer Lab of our College.

Dr. Deepthi A N, Assistant Professor of Mathematics, K K T M Govt. College Pullut was the resource person of the workshop. Total 60 participants registered for the workshop. On the first day of the workshop Principal Dr. Jaya P S, H O D of Mathematics inaugurated the workshop. Smt. Arathy K D welcomed the participants and I Q A C coordinator Dr. K K Sankaran extended the felicitations. On the first day of the workshop, Dr. Deepthi A N gave an introduction to Latex and helped to install the corresponding softwares in the systems of the participants. After the first day’s technical session, Smt. Anila N A , coordinator of the workshop, proposed the vote of thanks. Around 60 members participated in the workshop. On the second day of the workshop resource person introduced how to type functions and equations, how to itemize data etc. on the third day the resource person introduced how to draw tables, how to include graphics in a document etc. On the fourth day of the workshop the resource person taught how to include reference in an article and introduced different bibliographic styles using Latex.

Fifth day’s workshop was on offline mode in which the resource person trained the participants to type documents in Latex. All the features in latex were demonstrated by the resource person and the participants got an interactive session through which they cleared their doubts and rectified the errors they faced while typing and running the Latex codes of the document. The session was come to an end with valedictory session which was presided over by the Principal Dr. Jaya P S. Some of the participants shared their feedback about the programme and according to them the workshop was very fruitful and effective. Arun. K H, student of II semester M. Sc Mathematics, proposed the vote of thanks.

INDUCTION PROGRAMME

REPORT

The post-graduate department of Mathematics, Sree Narayana College Nattika, in association with IQAC jointly organized an induction programme for the first year B.Sc Mathematics and M.Sc Mathematics students on 17th November 2022. The topic was 'A journey into Mathematics'. The programme started at 9.30 am in the seminar hall. Ms Arathy K D, Head of the Department of Mathematics welcomed the gathering. Dr Jaya P S, Principal, Sree Narayana College Nattika delivered the presidential address. The keynote address was given by the resource person Mr Raveesh R Varrier, Assistant Professor of Mathematics, St. Aloysius College, Elthuruth, Thrissur. The felicitations were done by Dr Sankaran K K, IQAC coordinator and the Head of the Department of Statistics, and our student representative Mr Advaid T M, II year B.Sc Mathematics. Ms. Sreedevi M P, a student of II M.Sc Mathematics proposed the vote of thanks.

The resource person explained the applications of mathematics in Google page rank algorithm, whether prediction, cyber security, artificial intelligence, satellite navigation etc. He explained well the strength of mathematics in modern life and then discussed the contributions of some great mathematicians like Maryam Mirzakhani, Sir Andrew Wiles, Evariste Galois, John Forbes Nash, Sreenivasa Ramanujan etc. He also listed some millennium prize problems by Clay mathematics institute. Mr Raveesh R Varrier informed the students about various higher education programmes after completing B.Sc and M.Sc Mathematics programmes and some top institutions in India for higher studies in Mathematics. He also explained some career opportunities in Mathematics and concluded the technical session by sharing his experience as teaching assistant in IIT, Bombay. 79 students attended the programme.

P G DEPARTMENT OF MATHEMATICS

NATIONAL MATHEMATICS DAY 2022 CELEBRATION

As part of honoring Srinivasa Ramanujan on his birthday on 22 nd December Department of Mathematics & IQAC of Sree Narayana College Nattika conducted an open quiz on 22-12-2022 including puzzles and general knowledge questions. Programme was begun at 2 pm in the open air in front of the Mathematics Department. Students from various streams such as Physics, Chemistry and Statistics participated in the open quiz.. Principal Dr. Jaya P S inaugurated the programme. Students of third semester M. Sc Mathematics were the coordinators of the programme. An introduction about the way of conduct of the open quiz was given by Sri. Hrithwik Prasanth , student of III Semester M. Sc Mathematics. The programme was anchored by Miss. Gayathri G. Quiz was conducted by the Quiz Master Miss. Sridevi M P. There were more than 50 students in front of the Department to view and participate in the programme . Twenty five students participated in the quiz. The participants were eager to answer the questions. There was a good response from the audience and so the programme was able to conduct well. Attractive prizes were given to the winners on the spot. H O D of Mathematics Smt. Arathy K D proposed the vote of thanks. The programme came to an end by 3.30 pm.

PARAMPARA 2023

REPORT

The annual seminar series “Parampara“ of Post Graduate Department of Mathematics & Statistics, Sree Narayana College, Nattika was conducted on 23rd January 2023 at seminar hall at 10 a.m.. It was conducted in two sessions. The morning session was a seminar and the afternoon session was the presentation competition of students. The first session starts with a prayer by Ms.Alakanandha V J and Ms. Krishna T S. Welcome speech was delivered by Dr.Sankaran K K (HOD, Department of Statistics) followed by a presidential address by Dr Jaya PS (Principal, Sree Narayana College Nattika). Resource person of the event was Dr. Saju M I, Assistant Professor & HOD of Mathematics, St.Thomas College, Thrissur. Sir was a research guide too. In his keynote address Dr. Saju M I gave a wonderful lecture on the topic “The role of Discrete Logarithm Problem in Cryptography”. Sir explained about DLP and its importance in Cryptography in a detailed manner.He points out the applications of DLP in our daily life like ATM Pin Number, message transmission in army etc. and also mentioned about the current research works going on in DLP. The session was concluded by discussing different types of job opportunities in this field and he recommended to students to do projects in this topic. He grabbed the attention of the audience with an informative session. After the session there was an interactive session with the participants. The session ended with the vote of thanks by Ms.Anila N A, Programme Coordinator.The seminar session was attended by all the UG and PG students of Mathematics & Statistics department and faculty members from various departments of Sree Narayana College, Nattika.

Second Session starts at 1.30 p.m .with the Presentation competition which was held among the students of the Mathematics department as well as Statistics department. The session commenced with the welcome speech by Ms.Diviya K D, Assistant Professor of Department of Mahtematics. There were five students for the competition.The theme of the day was “Spectrum of Development: Innovations and Challenges”. Every team was given a time limit of 10 minutes for seminar presentation and five minutes for questioning session.The competition was judged by Dr. Devanarayanan V P (Department of Physics) & Ms. Anju Sundaran (Department of Mathematics) .The winner of the seminar competition was Akhila P S of I MSc. ,the second position was secured by Avanthika P U of III BSc and the third was for Sreelakshmi K P of II IP Statistics.The session ended with the vote of thanks by Anulakshmi V L of III BSc. Mathematics.

EXTENSION ACTIVITY AT SN TRUSTS HIGHER SECONDARY SCHOOL-PROBLEM SOLVING SESSION FOR STUDENTS OF STANDARD VIII AND IX

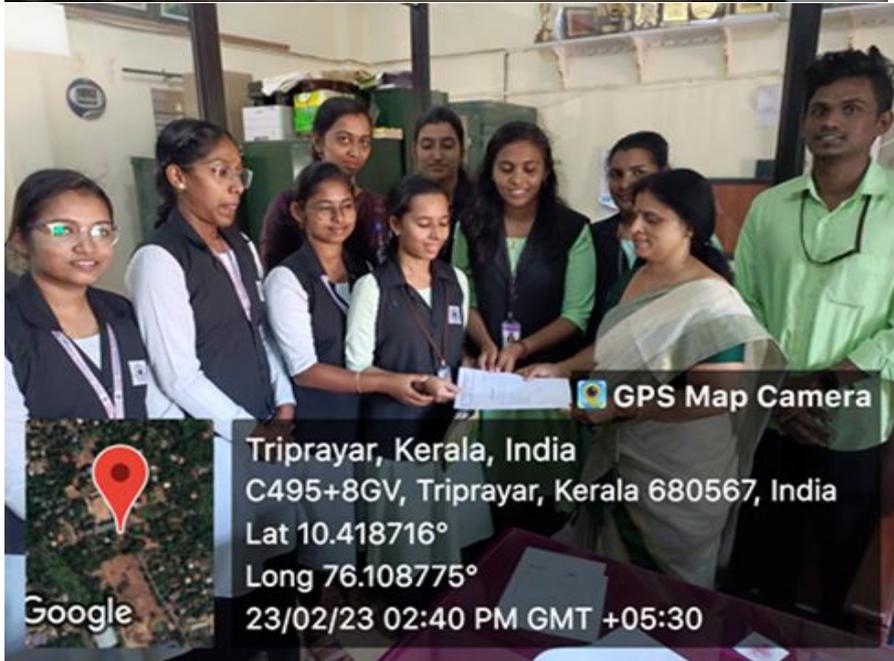

REPORT

The department conducted an extension programme on 23/2/2023. The following students have handled the problem solving sessions for students of standard VIII and IX of Sree Narayana Trust Higher Secondary School, Nattika . The following students participated in the programme.

1. Anjana Haridas (II M.Sc. Mathematics)
2. Ananya V S (II M.Sc. Mathematics)
3. Gayathri G (II M.Sc. Mathematics)
4. Haritha T K (II M.Sc. Mathematics)
5. Yadhukrishnan E R (II M.Sc. Mathematics)
6. Swareena T (II M.Sc. Mathematics)
7. Akhila P S (I M.Sc. Mathematics)
8. Anokha S B (I M.Sc. Mathematics)
9. Vaishnavi E R (I M.Sc. Mathematics)

They explained various tricks in Mathematics to solve the mathematical calculations easily. The students of S.N.Trust school enthusiastically participated in the programme.

NATIONAL SCIENCE DAY CELEBRATION -MATHEMATICS EXHIBITION

REPORT

As a part of National Science Day celebrations on 28/2/2023, the department of Mathematics conducted an exhibition named as **MO – Math, The Museum of Mathematics**. The first and second UG and PG students participated in this program. It was indeed an opportunity which gave them exposure and confidence to present their thoughts and mind. The students from the department prepared and exhibited so many working models, tricky math, charts etc. 9th standard students from Sree Narayana Trust Higher Secondary School Nattika visited our college to see the exhibition. The tricky games in math were interesting to the students. The students could understand how mathematics can easily be learned. The PG students conducted an open quiz as part of the exhibition. It was entertaining and also interesting to the students. The students actively participated in the game section. The students exhibited several working models also.

SREE NARAYANA COLLEGE NATTIKA

P G DEPARTMENT OF MATHEMATICS

CERTIFICATE COURSE ON FUNDAMENTALS OF FINANCIAL ACCOUNTING

Certificate courses benefits the students with something extra beyond their regular academics. Department of Mathematics and IQAC of Sree Narayana College Nattika in collaboration with St. Thomas College (Autonomous) Thrissur, offered a 30 Hours Certificate course on “Fundamentals of Financial Accounting” for students of various departments. The MOU was signed by Dr. Jaya P S, Principal, Sree Narayana College , Nattika and Rev. Dr. Martin, Principal, St. Thomas College (Autonomous), Thrissur on 16.03.2023. The aim of the agreement was to provide knowledge of basic acoounting applicable to business to develop a background for higher learning in financial accounting to train the students to maintain various types of ledgers and to prepare final accounts. The programme was inaugurated on 17.03.2023. On this day Introductory class was taken by the resource person Mr. Mestin P C, Assistant professor, Department of Commerce, St. Thomas college(Autonomous). The classes were conducted in the online mode. Mr. Mestin P C, the Resource person provided extensive theoretical knowledge to the students on the course and also took the regular exercise practice of the students to enhance the skill sets. Attendance of the students were taken in regular basis. The total number of participants were 55 from various departments of sree Narayana College, Nattika.

Topics covered in this certificate course were Accounting concepts and conventions, Accountable standards, Double entry book keeping, Recording business transactions, Trial balance, Financial statements, Preperations of final accounts with adjustments and computerised accounting sytem. Exam was conducted based on these topics. On the successful completion of the course, Certificates were distributed to the students. The students are highly benefited from the course and gave positive feedback for it.

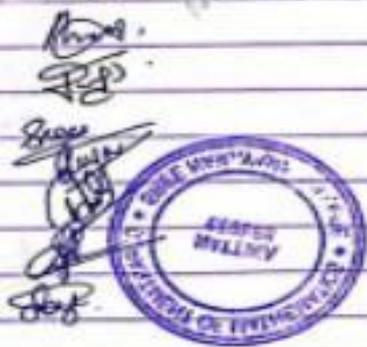

Meeting on 09.02.23.

Agenda.

1. Academic audit report 2021-22
2. Time table
3. Certificate course
4. Any other matter

Members present

1. Arathy K D
2. Diviya K D
3. Sneha T D
4. Riya V M
5. Anjali N A
6. Arun Chandaran
7. Sajitha K S

Decisions taken.

1. Decided to complete the academic audit report 2021-22 by next week.
2. As the fourth sem. P.G starts on 09-02-23, portions divided accordingly and new timetable follows from next-day onwards.
3. Decided to start the certificate course on 20.02.23
4. Decided to conduct the inauguration of Mathematics association on next week.

Actions taken

1. Completed the work of academic audit report
2. Preliminary discussions and preparations for the commencement of certificate courses were being done.
3. Contacted Dr. Vijitha Mukundan, Asst. Professor of Mathematics, S.H. College Chalakudy.
