### 1.4 FEEDBACK SYSTEM

#### ACTION TAKEN REPORT 2023-24

To ensure the continuous improvement, relevance, and effectiveness of our curriculum, the institution has implemented a series of proactive initiatives in response to the valuable feedback received from students, faculty, alumni, and employers. This report outlines the actions taken to address stakeholder concerns and enhance the overall educational experience:

- **Curriculum Relevance:** Following student feedback, a review process has been initiated with the Board of Studies (BoS) to ensure that course content remains current and aligned with industry standards.
- **Practical Relevance of Projects:** Steps have been taken to ensure that projects and assignments are closely aligned with the syllabus, enhancing their practical application and relevance.
- **Faculty Guidance on Project Design:** Faculty members received training and support to design projects and assignments that effectively reinforce program objectives and enhance student learning.
- **Integration of Cross-Cutting Issues:** Efforts are underway to incorporate key contemporary themes, including gender, environment, sustainability, ICT, and nationalism, into the curriculum. Supplementary lectures, workshops, and seminars are being organized to foster interdisciplinary understanding.
- **Faculty Development in Teaching Practices:** Faculty development programs focusing on innovative pedagogy and effective teaching strategies have been conducted to further improve the quality of the teaching-learning process.
- **Strengthened Feedback Mechanisms:** Enhanced mechanisms for gathering regular feedback from students and faculty are in place to support continuous refinement of teaching methods.
- **Campus Facility Enhancements:** Improvements to campus facilities and student services are underway based on feedback from students, aimed at enriching their overall educational experience.

- **Relevant Textbook Selection:** Faculty members have been actively involved in selecting textbooks and reference materials, ensuring that recommended resources closely match course requirements.
- **Expanded Resource Availability:** The availability of essential textbooks and reference materials has been increased through library acquisitions and digital resources, addressing any gaps in access.
- **Regular Resource Updates:** The institution has implemented regular updates to library resources to ensure students and faculty have access to current materials aligned with syllabus needs.
- **Faculty Training Workshops:** Faculty development workshops and training sessions are being conducted to address feedback on teaching methods and instructional resources.
- **Strengthened Industry Partnerships:** The institution has cultivated closer ties with industry partners to gain insights into employer expectations, ensuring graduates are equipped with essential skills and competencies for the workforce.
- **Enhanced Career Counselling:** Career counselling and professional development programs have been strengthened based on employer input, helping students better prepare for their careers.
- **Increased Alumni Engagement:** Alumni engagement initiatives have been expanded to build a sense of community and provide networking opportunities for current students.
- **Alumni Feedback Integration:** Feedback from alumni on their educational experiences and career trajectories has been incorporated into program reviews to maintain the relevance and impact of our offerings.

The institution is committed to fostering a culture of transparency, collaboration, and continuous improvement. We extend our gratitude to all stakeholders for their valuable feedback and continued support as we strive for excellence in education.
