

Quiz Competition in Connection with National Mathematics Day

As a part of honoring Sri. Srinivasa Ramanujan on his birthday on 22 December, PG Department of Mathematics and IQAC of Sree Narayana College, Nattika cordially organized quiz competition for all students of the college on 16 January 2024 at Seminar hall. There were 15 teams, each of two students in the quiz competition. Competition consisted of 6 rounds. It started with the Preliminary round along with 5 main rounds (Ramanujan round, Puzzle round, Awards and Graphs round, Mathematician round and Rapid fire round). After each round participants were eliminated and in the end 3 teams entered into the final round.

1. **Power Quiz 2023**

2. Quiz club in association with K S E B officers association has conducted the preliminary level competition of Power Quiz on 21.11.2023. Power quiz is one of the innumerable activities conducted by the KSEB officers association over the decades. Power Quiz put forward the relevant slogan "Energy for social wellness". 50 students from various departments has participated in the program. It has comprised of both prelims and mains rounds. 50 students teams were participated for preliminary round and 20 questions were there. 20 students were selected for main rounds. Valappad KSEB AEE conducted the Quiz as quiz master. Akshay Kishore C S (II UG B.Com) and Joshua Jose (II UG B. Com) has won the first and second prizes and selected to participate in the district level competitions.

Constitution Day Quiz Competition

As part of the Constitution Day 2023, Department of Political Science in collaboration with quiz club and IQAC organized a quiz competition on 27-11-2023. Students from various departments were actively participated in the competition. Questions were based on the evolution and the importance of Indian constitution. Dr. Chaithanya E P was the quiz master. There were three rounds and after each round we eliminated participants accordingly. Three groups qualified for the final round and from that Fathima Shirin an Abhishek Krishna I UG, Department of Zoology won the first prize, Shanu C S and Athira K S I PG, Department of Physics secured second prize and Harisankar V S and Akshay Krishna C S, III UG Department of Commerce secured the third prize.

Field visit to Rosen Fisheries Institute at Marathakkara, by the Department of Zoology

Field visit to KFRI, Thrissur by the Department of Zoology

Workshops/ Hands on Trainings

Workshop on FTIR

Post Graduate and Research Department of Chemistry, Sree Narayana College, Nattika organised work shop on Fourier Transform Infrared Spectroscopy on 20/02/2024 in association with PerkinElmer, one of the leading is a global corporation that provides scientific and laboratory services, instruments, and consumables. The workshop aimed to provide participants with a comprehensive understanding of Fourier Transform Infrared Spectroscopy (FTIR) and its applications in various fields. A total of 20 participants, including faculty members, research scholars, and postgraduate students, actively participated in the workshop. Dr. Dev specialist from PerkinElmer, led the workshop, commenced the workshop by providing a brief overview of FTIR, explaining its principles, and highlighting its significance in chemical analysis and research

Hands-on Training on Water Quality Parameters

The Department of Chemistry organized a hands-on training session on water quality parameters, led by Dr. Sreedharan K, Research Officer at the Biodiversity Board, Govt. of Kerala on 18th March 2024, with the support of DBT STAR. The session aimed to enhance participants' understanding of water quality assessment techniques and their application in environmental monitoring. A total of 54 students participated and learned to test key water quality parameters such as pH, turbidity, dissolved oxygen, hardness, and chloride content. Participants were also introduced to instruments like spectrophotometers and pH meters, and were guided on data analysis and interpreting test results. The importance of quality control measures to ensure accurate and reliable results in water analysis was emphasized throughout the session.

Workshop on Typesetting in Latex

P G Department of Mathematics & IQAC of Sree Narayana College Nattika organized workshop on “Typesetting in Latex” for P G students, research scholars and faculty members on 17-11-2023. Dr. Seena V, Assistant Professor of Mathematics, Christ College (Autonomous), Irinjalakuda was the resource person of the workshop. There were 46 participants to attend the workshop.

1. Roots of Excellence: Research Methodology and Scientific Reporting

P G Department of Botany of Sree Narayana College Nattika organized workshop on Research Methodology and Scientific Reporting for P G students, research scholars and faculty members on 10-10-2023. There were 91 participants to attend the workshop

Workshop on -Gateway to Project Preparation

On October 4th 2023, the Department of Commerce of Sree Narayana College Nattika, in association with the PG Forum, organised a one-day workshop titled “**Gateway to Project Preparation**” at Seminar Hall for final-year UG and PG students. Dr. Greeshmadhas M.H., Research Consultant in Commerce, was the resource person for the program. The workshop focused on providing insight on what a project is and how each chapter in a project can be prepared.

Workshop on Data Analysis Using Excel

On March 22nd 2024, the Department of Commerce of Sree Narayana College, Nattika, in association with PG Forum, organized a one-day workshop on “Data Analysis using Excel.” The program was conducted to provide insights on data analysis tools for final-year M.Com. students for their project completion.

Intercollegiate Project Presentation Competitions

1. The Intercollegiate Presentation Competition, held on September 14, 2023, at Sree Narayana College Nattika by the Botany Department, featured 15 participants who presented their research findings. The event provided a platform for fostering research skills and encouraging innovation within the field of botany. Participants were evaluated on the clarity of their research objectives, the significance of their results, their presentation skills, and the originality of their work

Seminars

1. Parampara 2023- 2024

Sree Narayana College, Nattika organizes the annual interdisciplinary seminar series "PARAMPARA" to provide a platform for students and faculty to interact with esteemed scientists and experts. Sponsored by the college's PTA and Alumni, the series allows students to showcase their research and presentation skills. In 2023-24, the theme was "Artificial Intelligence: Prospects and Pitfalls," and all departments conducted seminars based on this theme.

The annual multidisciplinary Seminar Series, "PARAMPARA" provides a common platform where eminent scientists, students and members of the Faculty come together to interact on a wide range of prowess, praxis and prospects in various disciplines. Parampara provides an opportunity to develop critical thinking, research orientation and presentation skills among students. This knowledge exchange programme is envisioned as a Best Practice that can boost the educational atmosphere of the Institution.

The thrust area of Parampara 2023-24 is **ARTIFICIAL INTELLIGENCE - PROSPECTS AND PITFALLS**. It will be inaugurated by Dr. R Raveendran UGC Emeritus Professor, Special Officer Sree Narayana Trusts and Former Principal of Sree Narayana College, Sivagiri, Varkala.

We cordially invite all academic enthusiasts to join us and take part in the deliberations.

MULTIDISCIPLINARY SEMINAR SERIES ON
ARTIFICIAL INTELLIGENCE - PROSPECTS & PITFALLS

VENUE: SEMINAR HALL
TIME: 10.30 AM

Inauguration on
28 FEBRUARY
2024

Sree Narayana College, Nattika (estd. 1967) is a premier institution located in the coastal area of Thrissur District, Kerala. With the motto "Seek Freedom & Enlightenment through Education", it gives wings to the higher education dreams of the socially and economically underprivileged sections of the Society. The college runs 9 UG, 9 PG and 2 Research programmes.

2. Guardians of Innovation: Navigating the Landscape of Intellectual Property Rights

On 1st December 2023, the Department of Commerce, in collaboration with IQAC of Sree Narayana College, Nattika, organized a seminar titled "Guardians of Innovation: Navigating the Landscape of Intellectual Property Rights." This event aimed to unravel the intricacies of intellectual property rights (IPR) and shed light on its pivotal role in safeguarding innovation. Dr. Vinod A S, Assistant Professor of Commerce at Mahatma Gandhi College, Thiruvananthapuram, served as the resource person, providing expert insights into the realm of IPR.

Seminar On G20

The Department of Economics, SN Collge Nattika in Association with IQAC conducted a one day seminar on G20 on 12/09/2023. The talk was delivered by Dr.Blessy Paul.C, Asst. Prof in Political Science, St.Thomas College, Thrissur. The seminar provided an overview of the G20's formation as a global economic system led by the United States, alongside institutions like the World Bank, IMF, and WTO, and highlighted the economic challenges faced by emerging economies like India. It emphasized India's active role as a founding member of the G20 and the forum's focus on economic, rather than political, issues.

Seminar on Freedom, Equality and Justice for all

The Centre for Human Rights and Democracy, along with the Department of Political Science and Economics and IQAC, organized a seminar on "Freedom, Equality, and Justice for All" on December 11, 2023, at Sree Narayana College, Nattika, to commemorate Human Rights Day. Dr. Prasad M.V., Assistant Professor and Head of the Department of Political Science at Sreekrishna College, Guruvayur, served as the resource person. He highlighted the significance of Human Rights Day in today's context and provided a comprehensive history of human rights, both globally and in India. Dr. Prasad elaborated on foundational documents like the Magna Carta and the Bill of Rights, and explained the origins and meanings of key terms discussed in the seminar. He also outlined the contributions of American and European efforts in shaping the Universal Declaration of Human Rights and its ongoing impact.

Surveys

1. The Postgraduate and Research Department of Botany at Sree Narayana College, Nattika, conducted a Biodiversity Survey in the Nattika Gramapanchayath from June 2023 to February 2024, in collaboration with the Nattika Gramapanchayath. This survey was conducted by final-year undergraduate students along with faculty members. As part of the survey, all data collected was recorded and distributed to all 14 wards of the Nattika Gramapanchayath.

Number of Participants – 35

Outreach Science Popularization Program

"Sasthrasametham", an outreach science popularization program for higher secondary school students, was conducted on 15/01/2024 by the science departments of the college. It was an interdisciplinary program that shared scientific knowledge and created an environment for scientific discussion, which was facilitated by trained UG and PG students.

Certificate Courses

Certificate Program in Tally and GST

The Department of Commerce has offered a certificate course on Tally with GST for Final year BCom students. The first half of the course was designed to give theoretical knowledge and understanding on the various concepts related with accounting using Tally and to have knowledge about GST. After the theoretical sessions practical sessions began in the Computer Lab. Students were given practical sessions on Tally accounting and GST return filing.
