

# GREEN ESSENCE

## POLICY DOCUMENT

GREEN ESSENCE is an Institutional Initiative which has the objective of building up and sustaining an eco-friendly campus. It envisions the campus as a place where environmental friendly practices guide every activity. Students are directed to respect and love nature and do everything they can to reduce harm to the surroundings.

GREEN ESSENCE offers the opportunity to take the lead in redefining the environmental culture and developing new paradigms by creating sustainable solutions to natural, social and economic needs of people.

### OBJECTIVES:

- ♣ To keep the sylvan surroundings intact.
- ♣ Be self-sufficient in the areas of power.
- ♣ Keep the water sources clean.
- ♣ Inculcate eco-friendly attitude in students.
- ♣ Disseminate the Eco-friendly culture in the community
- ♣ Create awareness about environmental issues among students.
- ♣ Measure and reduce harmful emissions/ carbon footprints.
- ♣ To increase the green cover in and around the campus.
