

**Sree Narayana College Nattika**  
**Department of Statistics**  
**DATA DASH - Quiz Competition Report**

**Date:** 23rd January 2025

**Venue:** Department of Statistics

**Objective:**

The objective of the statistics quiz competition was to promote interest and awareness about statistics among students, and to provide a platform for them to showcase their knowledge and skills in statistics.

**Participants:**

A total of 12 teams, 2 students in each team from various departments of Sree Narayana College, participated in the competition.

**Competition Format:**

The competition consisted of two levels, including a written test and a quiz session. The written test covered various topics in statistics, while the quiz session tested the participants' ability to think critically and solve the simple statistical problems.

**Winners:**

The winners of the competition were:

**1. First Place:**

Muhammed SWALIH P H, M A Economics

Murshid C K, B.Voc Food Technology

**2. Second Place:**

Krishnapriya K R, BSc Mathematics

Aparna M S, BSc Mathematics

**3. Third Place:**

Akshay Krishna C S, Commerce

Thrisha Dileep , Commerce

Jayalakshmi Santhosh BSc Mathematics

Anjana P J, BSc Mathematics

**Prize Distribution:**

The chief guest for the occasion was Dr. Jaya P S [Principle, Sree Narayana College, Nattika], who distributed the trophies, and certificates and congratulated the winners.

**Conclusion:**

The statistics quiz competition was a huge success, with participants showcasing their knowledge and skills in statistics. The competition provided a platform for students to learn and appreciate the importance of statistics in real-life applications. We look forward to organizing more such events in the future.

**Organizing Committee:**

1. Akhila Unnikrishnan, Faculty Coordinator
2. Afra V M , Student Coordinator

## Feedback Analysis

How would you rate your overall experience in the Statistics Quiz Competition?

20 responses

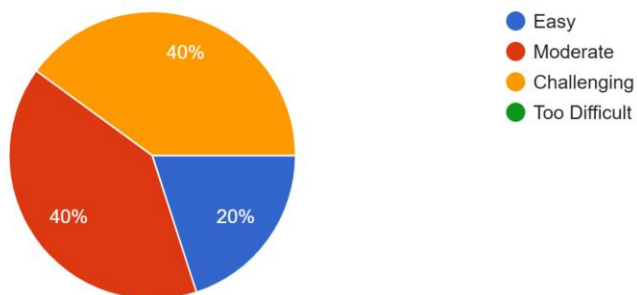

---

50% of the participants rates excellent.

How would you rate the difficulty level of the questions?

20 responses

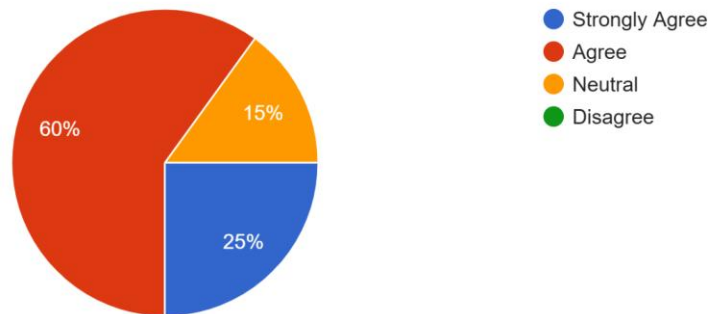

---

40 percentage of participants felt moderate and challenging.

Were the questions clear and concise?

20 responses

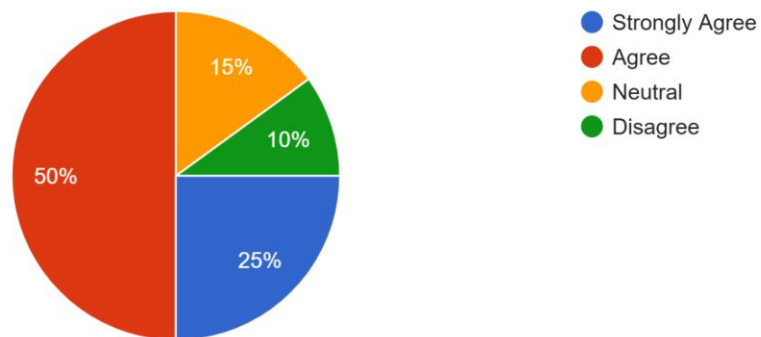

---

60 percentage of participants agreed that the questions were clear and concise.

Were the facilities and equipment provided adequate for the competition?

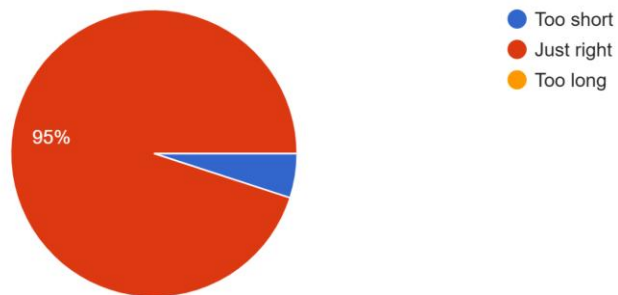

20 responses

50 percentage of participants agreed that there is adequate facilities and equipments for the session

How would you rate the duration of the competition?

20 responses

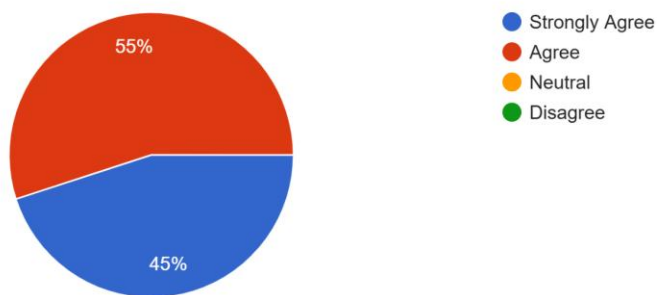

---

95 percentage of participants rates the duration was just right

Were the rules and instructions clearly explained?

20 responses

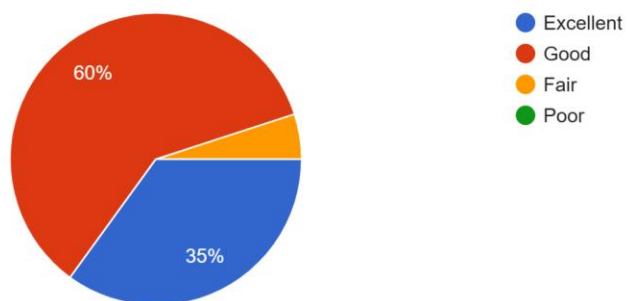

---

55 percentage of participants agreed that the rules and instructions clearly explained.

How would you rate the organization and logistics of the competition?

20 responses

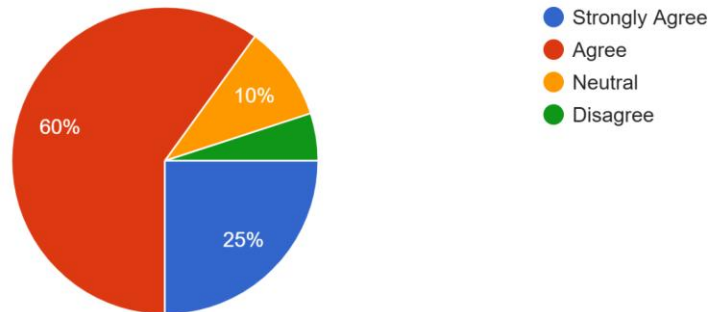

---

60 percentage of participants rates the organisation and logistics were good

Did you feel that the winners were recognized adequately?

20 responses

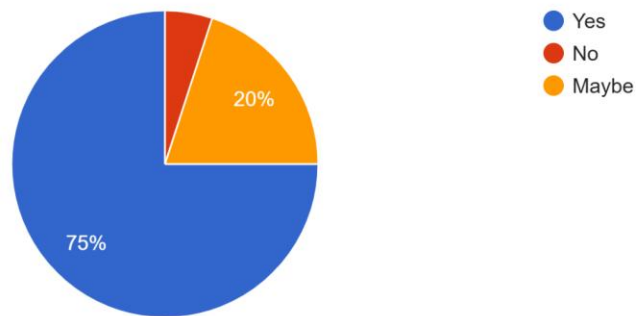

---

60 percentage of participants agreed that the winners were recognised adequately

Would you participate in a similar competition in the future?

20 responses

75 percentage of participants are willing to participate similar competitions.

What suggestions do you have for improving the competition format?

Some participants suggest to increase the number of levels.
